SKILLS

- Programming Languages:
Java, .Net, C++, C#, JavaScript
- Programming Languages:
HTML, CSS, Node.js, Express.js, Nest.js
- Database:
MySQL, MongoDB, XAMPP
- Other Skills:
Object-Oriented Programming,
Data Structures, Algorithms

LANGUAGES

- Bangla – Native
- English – Proficient

REFERENCE

S M ABDULLAH SHAFI

lecturer, Faculty
Department of Computer Science

Phone: 123-456-7890

Email : shafi@aiub.edu

PROFILE

Motivated and detail-oriented Computer science graduate seeking an entry-level position in software development. Passionate about building efficient systems, solving real-world problems, and continuous learning.

PROJECTS

Library Management System (C#)

- Developed a Windows desktop application using C# and .NET Framework for managing library operations, including borrowing, returning, member registration, and inventory tracking.

Online Shop Admin Panel (NestJS)

- Built a full-stack admin panel for an online shop using NestJS for the backend and React with Tailwind CSS + Flowbite for the frontend.
- Implemented secure user authentication, product management, order tracking, and sales analytics features.

Meeting Scheduler (Code-First Approach using .NET)

- Designed and developed a meeting scheduling system using ASP.NET with Entity Framework (Code-First).
- Features include user registration, scheduling with conflict detection, and email notifications.

Network Simulation Project (Cisco Packet Tracer)

- Simulated enterprise-level networking scenarios with VLAN, EIGRP, and OSPF configurations using Cisco Packet Tracer.

EDUCATION

Bsc. in Computer Science and Engineering

2024-2025

American International University - Bangladesh

Higher Secondary Certificate (HSC), Science

2018-2019

Comilla Cantonment College, Comilla
